D.O. No. 21
Pr. 2

Bangalore,

1st September 1921.

My dear Sir,

I write to acknowledge receipt of your telegram of yesterday evening as well as post copy of the same this morning. With reference to Residency D.O. No.7679 dated the 29th August 1921 a copy of which has already been sent to you, I interviewed the Resident this morning on his return from Sivasamudram and acquainted him with the precautionary measures that the Durbar proposed to take in the matter as already reported to and approved by - - His Highness. Col. Knox promised to move the Military authorities to keep our Magistrates informed of the development of the situation on the frontier as the necessity may arise. He was also of opinion that individual Moplahs or those going in twos and threes crossing the frontier either way, need not be interfered with. Action is called for only when they come in large numbers. In fact these are exactly our instructions both to the police and the military.

At the ordinary meeting of the Council to-day, we had both the Chief Commandant and the Inspector General of Police with. Clear and full instructions were given to them. Only one Squadron of the Mysore Horse, will, as ordered by His Highness, be detailed for duty in both Gundlupet and Heggaddevankote Taluks.

No motors or motor cycles will be purchased in this connection.

I am also sending you herewith a copy of a communication received last evening from the Residency and took the opportunity of the presence of the Chief Commandant and the Inspector General of Police at the meeting to warn them to be prepared for any emergencies that may arise as a consequence of the action proposed to be taken by the Government of India.

I am leaving this for Mysore to-morrow night and propose to return here on the 7th instant.

Yours sincerely,

Amin-ul-Mulk
Mirza M. Ismail, B.A.,
Huzur Secretary to His Highness
the Maharaja of Mysore.
